

2023 HOME RUN NAPA VALLEY SAUVIGNON BLANC

THE REGION

Napa Valley may be best known for its Cabernet, but its varied microclimates and soils also make it an exceptional home for Sauvignon Blanc. Cooler subregions like Carneros and southern Napa benefit from marine influences that preserve the grape's natural acidity and bright citrus character. The valley's abundant sunshine ensures optimal ripening, allowing for vibrant tropical notes and a balanced, fruit-forward profile. The result is a distinctive Napa Sauvignon Blanc—crisp, expressive, and refreshingly elegant.

THE WINE

Bright and expressive, the aroma bursts with zesty citrus notes of lime, grapefruit, and lemon zest, complemented by tropical hints of passion fruit, pineapple, and guava. Subtle undertones of fresh-cut grass, gooseberry, and wet stone add a refreshing, mineral-driven complexity.

Crisp and lively, the palate is driven by vibrant acidity that enhances the wine's juicy citrus and green fruit flavors. Layers of grapefruit, green apple, and honeydew melon unfold alongside delicate herbal notes of lemongrass and fresh basil. Some expressions may have a touch of creaminess or a hint of oak, adding depth while preserving the wine's signature freshness.

The finish is clean and refreshing, leaving a lingering impression of citrus zest, minerality, and a slight saline touch, making it an effortlessly drinkable and food-friendly wine.

PERFECT PAIRINGS:

The crisp acidity and bright flavors make it a perfect match for grilled citrus shrimp, herbed goat cheese crostini, or lemon garlic roast chicken, enhancing both the wine and the dish.
